

A woman with blonde hair, wearing a pink long-sleeved blouse and blue jeans with a large gold buckle, stands smiling next to a pink upholstered sofa with a gold frame. The sofa has three decorative pillows: a white one with floral embroidery, a round pink one with a ruffled edge, and a round pink one with a dark pattern. To the left of the sofa is a small wooden side table with a candelabra lamp. To the right is another candelabra lamp and a vase of pink flowers. The floor is covered with a patterned rug and scattered pink petals. A chandelier is visible in the upper right corner.

can dream, there

A spare bedroom (*below*). I love how Amy painted the brick wall white and used iridescent Moroccan blue tiles around the fireplace. The bed with eclectic blue poplin and linen bedding is more evidence of Amy's love of Shabby Chic bedding.

The utility sink in the children's bathroom (*opposite*) developed a mysterious blue stain that will not go away. Amy has embraced the stain, as its aqua tones go well with the other blue accents in the room.
